## TRIBUTE TO A GENTLE CHRISTIAN WOMAN.

As the shades of night closed over the old village of Washington in this county, on Tuesday evening, August 18th, 1914, there passed to her rest at her home, Mary W. Forman, daughter of Joseph and Jane Forman, in the 77th year of her age.

For several years it has been apparent to her friends, that "Cousin Mollie" as she has been affectionately known by nearly the whole community, was gently passing to the home of the Heavenly Father whom she loved so well, and the path to whose home she had so patiently tried to reach to the thoughtless boys and girls at Washington, and so that the Savior she loved so well, could be their Savior too.

How patient, how cheery, how considerate, no one but those who through life came in close touch with her Christ-like character can understand. It was the writer's privilege to have been a student in her school in Washington some thirty-nine years ago, and also for many years in her Sunday School class, and while in the thought that she has passed from us, still well we know she is where she wished to be, with her loved ones who have gone before, "to that house not made with hands."

As we pass into the twilight of life and as those who have been the friends of our youth and mature age pass away, it is then we fully realize their loss, as nothing can take the place of our childhood friends and companions. This is but a faint echo of the consolation of the community in which the deceased lived her life. Her example and teachings we will always have with us, but her presence is no more.

—A FRIEND.

## BEAUTIFUL CHARACTER GONE

Mrs. Mary Elizabeth Smith, Called To Rest Leaving to Her Loved Ones  
Fadedness Members of Her  
Many Virtues.

Mrs. Mary Elizabeth Smith, wife of Dr. F. M. Smith, died Wednesday afternoon at 3:40 o'clock at her home in Dover of consumption.

There have been few like her. When such a woman dies the virgin choir and the harps of heaven peal forth their joyous melodies of eternal blessedness; the gates of alabaster and gold roll back to welcome another sainted soul to God's paradise.

In the calling from this life of Mary Elizabeth Smith there passed away a most remarkable woman. As daughter, wife, mother, relative and friend, as house-keeper, manager and entertainer she was the peer of not the superior of millions of such models of her sex.

Not perfect, but perfect enough for God to bless and Christ to welcome and to glory in the edginess of and majesty of the "Mansion in the Skies."

She bore her cross of suffering, even as the Savior up the weary heights of Calvary.

She sang and she smiled and she wept and she prayed and she suffered—much, but her determination and strength of mind and body never deserted her. Her unwavering trust in the promises of Christ bore her triumphantly over every obstacle, until her earthly hopes were realized in the virtues and success of her three children.

Her crown of everlasting glory was won and she sank to eternal rest with a smile of trust and hope in her dreamless sleep.

Deceased was born in Millersburg, Ky., September 23, 1851, and was the eldest daughter of the late Robert Tabb and Elizabeth Collier Tabb.

She was married to Dr. F. M. Smith at Blue Lick Springs, then the home of her parents, January 24th, 1878. Her husband and three children survive, as follows: Austin Smith, cashier of the Atlantic Ohio National Bank; Preston Smith, employed in the First National Bank at Cincinnati; and Mrs. Ethelene Smith, each of whom have been God-given blessings to parents and home.

This sister, Mrs. J. J. Tabb, and scores of near relatives mourn for her.

The funeral services will take place tomorrow, Friday afternoon at 2:30 o'clock, at her late home in Dover conducted by a minister of the Christian Church, to which denomination she was faithful and devoted.

The burial is to be in Rosemont Cemetery in Dover.

MOONLIGHT FETE AT MURPHYSVILLE

There will be a moonlight fete held at Murphysville Saturday night August 22nd for the benefit of the Methodist church.

## POPE PIUS X IS DEAD

Rome, Aug. 19.—Pope Pius X died today. His holiness, after suffering a relapse earlier in the day, became unconscious at noon. At that time a priest had been sent for and the last sacraments of the church were administered.

Doctors in attendance were compelled to begin the administration of oxygen to keep him alive, pending the sacraments to the bedside of the officials demanded by the rites of the church to be present.

Death Was Due to War.

The death of the Pope was due to the war. He died practically of a broken heart. For days before the war broke out he was gravely concerned, and he notified all of the heads of the church throughout Europe to work for peace.

Up until hostilities actually commenced, the Pope did not believe that war would come between civilized nations at this late day.

When he heard that Germany had declared war on Russia, and realized that the conflagration had actually been kindled, he broke down. His holiness, sorrowful and was unconscious for several minutes. His physicians were called in and had to administer powerful restoratives.

Entire Heart Set on Peace.

There was a slight recovery and the Pope was able to be about the Vatican. He spent most of his time in prayer, and in all of his devotions impressed upon every member of his household that his entire heart was set on the restoration of peace.

## DETERMINED FOR ROADS.

Mr. E. H. Alexander of Knob Lick, Ky., in giving some information in regard to a four-mile road to be built in that section, says:

The people of the community, tired of waiting for the officials to build roads, organized a company to build them themselves. They have secured right of way over private grounds, and are now grading road from Antioch in Metcalfe county, Kentucky, to the Barren county line, there to intersect a road to Hiseville, which will give us pike service to Glasgow, Cave City and Horse Cave, all railroad towns. Since the company was organized to build the road the county of Metcalfe has subscribed \$1000 to the company.

This is an interesting illustration of how people in various parts of the South are determined to secure good roads, even if they cannot arouse their country officials to the importance of building road, but it suggests the importance of the intelligent people in every county seeing that local officials shall be chosen thoroughly in harmony with the progressive spirit of the day in building good roads, and this applies to many counties and to many towns and villages throughout the entire South.—Manufacturers Record.

## MOST WAR NEWS MERELY RUMOR.

The difficulty of getting reliable war news from Europe is greater than it ever has been before in spite of the fact that methods of communication are perfected as never before. Although the European field of operation is interlaced with telephone and telegraph lines and dotted with wireless stations, these are controlled by the military authorities and all messages are rigidly censored. The press associations and the great newspapers are sparing no expense in their efforts to collect reliable news. But about all they can get is a general statement of fact concerning the movements of the armies. The details of engagements are matters of rumor or the products of imagination.

## A PROUD DAY FOR FIELDS

Congressman Fields is to be congratulated on his splendid victory of Saturday. He carried every precinct in Harrison county and every county in the district, including those of Haney, his chief opponent, and Young of Mason. Fields carried every precinct in Mason, and Haney also defeated Young in that county about 3 to 1.—Cynthiana Democrat.

Why shouldn't the Canadians favor American Free-Trade? They are getting some mighty good American factories, among them a \$10,000,000 steel plant. Oh, the joy of Free-Trade is wonderful to contemplate.—Louisiana (Mo.) News.

We are trying Wilson's Democratic policy. If you like it choose a Democratic House in November next. If you don't like it, return a Republican House that will tie the hands of the President in dictating further destructive legislation.

## AMERICA'S CHANCE.

We must take account of stock and study the situation, but this country of all the world is the one to benefit by the pitiful change in affairs. We are at peace except for the farcical proceedings in Mexico. We can take care of ourselves. It is noteworthy that the Democratic administration which planned to reduce duties to stimulate foreign imports finds itself so completely shut off from any revenue from that source that it is devising a "war tax" because we are not at war. We are driven back upon our own resources, and fortunately these are magnificent.

We shall have a market in England for our agricultural products at greatly advanced prices and we shall have to work hard to keep up with the home demands upon our factories. All this will be upon us before long. Even if the war by any happy chance comes to an early end, there will be complete exhaustion abroad.—Hartford Courant.

The Tariff has reduced some things at least. For instance, Federal revenue.

## FOOLISH PHILOSOPHY.

Cold facts from the pulpit frequently make the congregation hot.

We probably have no idea how much amusement we afford others.

Find fault with your neighbor if you must, but find fault with yourself first.

When a girl is first in love she loses her appetite. Every man believes every half hour of his life that the straw that broke the camel's back has just been placed on his shoulders.

There are times when a man's best friends summon a silent jury in their hearts to try him, while loudly asserting his innocence.

She who marries a man because she is sorry for him is apt to be sorry for herself later.

Almost any man can look back and see how he missed getting rich by not following his own advice.

A woman's tongue is her weapon—yet few women are arrested for carrying concealed weapons. The reason is obvious.

"There are very few rich doctors," says a writer in one of the medical journals. Also, the country is overrun with poor ones.

No man has any business to get married until he can listen to a crying baby without saying things that wouldn't look well in print.

## Willigers' Way.

The weather it was very warm,  
The office was too hot;  
And so to keep themselves alive  
They drank an awful lot.

The little birds were sitting around on twigs with their mouths open; the flowers were drooping; the very worms were perspiring. That's how hot it was.

At 8:45, on his way to the office, Willigers stopped in at McMac's and asked for an extra cold mint julep.

At 10 he said to the bookkeeper, "Getting worse isn't it?"

"Believe me!" replied the bookkeeper, mopping. And the two of them went out and hit a couple of Bronx cock tails.

At lunch he tried to cool off with a scotch of flaming Filsner.

At 2 o'clock he said to the bookkeeper, "Must be a hundred in the shade."

"Of an ice wagon," replied the bookkeeper, "How about going out and hitting one?"

And they did, naming gin rickies, although a sign on the outside of the swing doors suggested buttermilk. And at 4 o'clock Willigers had another julep with the book keeper, and on his way home at 5 he met Spifferts, who had also noticed the humidity, and they stopped in and had two nice ruby delectable cocktails apiece.

About 7 o'clock it started to cool off wonderfully, and everybody in Williger's house, except Williger, commented on it, but Williger, though he had nothing to worry him and his feet were pointed at an electric fan, swore that they were all trying to kid themselves along, and wanted to know why, if it was so much cooler, he couldn't notice it.—Louisville Times.

## WEAK KIDNEYS

### MAKE WEAK BODIES

Kidney Diseases Cause Many Aches and Pains of Maysville People.

As one weak link weakens a chain, so may weak kidneys weaken the whole body and hasten the final breaking down.

Overwork, strains, colds and other causes injure the kidneys, and generally when their activity is lessened the whole body suffers. Aches and pains and languor and urinary ills frequently come, and there is an ever-increasing tendency towards dropsy, gravel or fatal Bright's disease. When the kidneys fail there is no real help for the sufferer except kidney help.

Donn's Kidney Pills act directly on the kidneys. Maysville testimony is proof of their effectiveness. Mrs. Annie McClellan, 541 W. Second St., Maysville, Ky., says: "I was often dizzy and nervous and my head ached. I had pain in my back and my kidneys were weak. Donn's Kidney Pills stopped the complaint immediately and made me well and strong."

Mrs. McClellan is only one of many Maysville people who have gratefully endorsed Donn's Kidney Pills. If your back aches—If your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for Donn's Kidney Pills, the same that Mrs. McClellan had—the remedy backed by home testimony. 50c all stores. Foster-McBarn Co., Props., Buffalo, N. Y. "When Your Back is Lame—Remember the Name."

## INTERESTING ITEMS FROM THE MOWER PARK CAMPMEETING

So far the attendance and interest have outdone all records at the Park Meeting. It seems everybody wants to hear the woman preach the Bible from ten o'clock to the elevations and in a way to suit God and not to please this or that denomination. In union there is great strength and if all the sects would consolidate or even hold union services now and then what a different world we would have today. If the Bible teaches anything for our good we should preach it and let the result be with the unbeliever. The backbone of the drought was broken and smothered all up last week—filling up the ponds, cisterns, wells, springs and creeks, to giving the crops and seemed to make everybody happy.

Brother Grizzle, manager of the Park meeting, was called to Portsmouth last week to meet the officials of the M. E. Church with a view to get transferred from Kentucky to the Ohio Conference. He reported that the meeting was in his favor and that in the near future there would be a place for him in the Ohio field of work.

Mrs. Lizzie Charles and little daughter of Manchester, Miss Dora V. Stone, music teacher of Leitchfield, Ky., and Mr. S. A. Steel, former teacher in the West Union, Ohio, Schools are among the helpers in the meeting.

All seem to think there were more people, wagons, buggies and autos at the Park Sunday than ever before, and just nice order with no police. Brother Steel led the prayer and praise service at 9:30 a. m. Brother Grizzle preached at 10:30. Miss Smith preached at 2:30 p. m. and Miss Stone conducted the children's meeting at 5 o'clock. She gave a lecture on the advantage and locality of the Kingswood (Ky.) High College and Music School, in which she is one of the teachers.

The manager of the Park Meeting announced Sunday that the meeting would continue over another Sunday by reason of the crowds and interest taken. Come out Sunday and bring your neighbor and hear a Bible scholar preach what the Bible teaches in plain English to please God and not man.

A. S. TOLLE.

## ITEMS FROM THE RIPLEY BEE.

Mr. and Mrs. Herbert Whitley and children left Monday for Claysville, Ky., for a two weeks' visit with his parents.

Mr. Harvey Gardner has moved his family here from Maysville, Ky., and as soon as he can find a suitable place will open an up-to-date garage.

Attorney Chambers Baird left last Thursday for Kansas City, Mo., and other Western points where he will look after business interests which he has there.

The Maysville White Sox failed to show up at Ripley park last Sunday thereby disappointing a large crowd of fans. In order to amuse the crowd the town boys played seven innings against a nine composed of outsiders. The home boys were unmercifully beaten.

Miss Harriet Paden, who has been making her home with Dr. and Mrs. J. B. Stephenson for several months, was operated on yesterday afternoon for appendicitis. Dr. Taulbee of Maysville, Ky., performed the operation, assisted by Drs. Francis and Price. The young lady is under the care of a trained nurse and her many friends hope to learn of her early recovery.

While it is true, we have had a poor season generally in this section, yet crops look mighty good in spots. Ford Haecke has a field of corn near the hill park which good judges say will average 75 bushels to the acre of big white corn. Charles Sidwell is topping three acres of as fine tobacco as you can see anywhere, strong, even healthy-looking plants, all tended by himself and he will be 72 his next birthday in February. In addition to the tobacco Mr. Sidwell has an acre of splendid melons which he began to market last week.

Like a stroke of lightning from a clear sky comes the startling announcement that the J. Wesley Lee entire stock of high grade Clothing, Shoes, Hats, Caps, and Furnishings will be distributed into the homes of the people for less than the actual cost of the raw material for 10 days only. Owing to the fact that we have bought extremely heavy for Fall and Winter and on its arrival we find that it is impossible to handle such an immense stock in our store and as it is impossible to return same, we have decided to inaugurate the greatest Summer, Fall and Winter Merchandise Slaughter ever known in the State of Kentucky and give the people of Mason County and its vicinity an opportunity to clothe themselves and families at prices that will be less than manufacturers' cost. Never before has a sale of this kind been put on. Never have such bargains been put forth, perhaps never again, and no man or woman of good intelligence who can realize the value of a dollar can afford to overlook an opportunity of this kind. Why merchandise will be cut down like weeds in your garden. And remember this great sale positively opens Thursday, August 20th, at 9 A. M.

**COME,  
PEOPLE,  
COME.**

Everybody's coming. It's a mammoth Merchandise Slaughter. The equal of which, in either volume or value, has never been known in all United States. The conditions responsible for the great sale are extraordinary. The result is merchandise value that no mortal man has ever dreamed of. Why, you have sold clothing to the rag man for more than we are selling this high grade line of Summer, Fall and Winter merchandise for. Now it may be hard to believe that a big concern like this would sacrifice such an immense stock, but it is the gospel truth and all that we ask is a visit which will convince the most skeptical of the sensational low prices that prevail during this great sale. Now seeing is convincing. Come, inspect and see with your eyes. It will pay you to come 100 miles to visit this great sale and we earnestly request you not to compare this with so-called other sales or be misled by fictitious signs. This is no fake, no substitute, but a strictly boni fide sale. And in order to show you the tremendous sacrifices that are being made below we will quote a few of the wonderful, marvelous, extraordinary bargains we are putting forth, and remember there are thousands we cannot mention here as space will not permit us. The store is now closed to mark down and rearrange the stock and will remain closed until Thursday morning, August 20, at 9 A. M.
